Jamshid's child is dead
Noooooo!!
Your grand-father killed that child!
please...
leave now...
I don't want to talk about this any-more

when you are calmer.
I will come back later.
see you later
I will be back when you're much fit to see me again

Ai!
PAH

Welcome home Sam
Mama! Mama!
You know today I...
Sam, first wash your hand and face,
you can tell me later.

She tried to deny but,
the child looks like grandfa-ther.
I'm sure Al Jawadhi blood flows in that kid's body.
Hello Harun?
...its me.
Dunno
WHY THAT GIRL IS LYING!? WHY DID SHE SAY SHE HAD A MISCARRIAGE?
WEAK... HEY NAJIB! YOU CAN'T RUN AWAY FROM THIS PROBLEM!
YOU DON'T KNOW!
I went to see her.
YOU ARE THE ONE THAT SAID "LET ME TAKE CARE OF THIS PROBLEM"
I'm weak when it comes to crying women.

I cant run away.
I'm not running away.
That girl doesn't know anything.
without knowing anything
That girl become a princess of the kingdom of Bajestan

A long time ago
Al Jawadi Bajestan clan ruled the kingdom
It's a beautiful kingdom full with blooming roses
Prince Hadestan's proof is commuted in Al Jawadi
I've never seen the proof but for the sake of making him become the king of Bajestan
For the vision of Bajestan Kingdom to prevent the truth
I will take that girl, that was his destiny
I must!!

Why you crying?
No Sam, don't worry.
Mom!
Are you crying? your eyes are red.
Mom isn't crying.
My tears haven't stopped these last 5 years
I don't need anything now
"Crying" is something I must stop doing
Jamshid didn't return to my side anymore.
the sadness hasn't gone away
Today I once again remembered my despair
It's okay as long as Sam is here with me

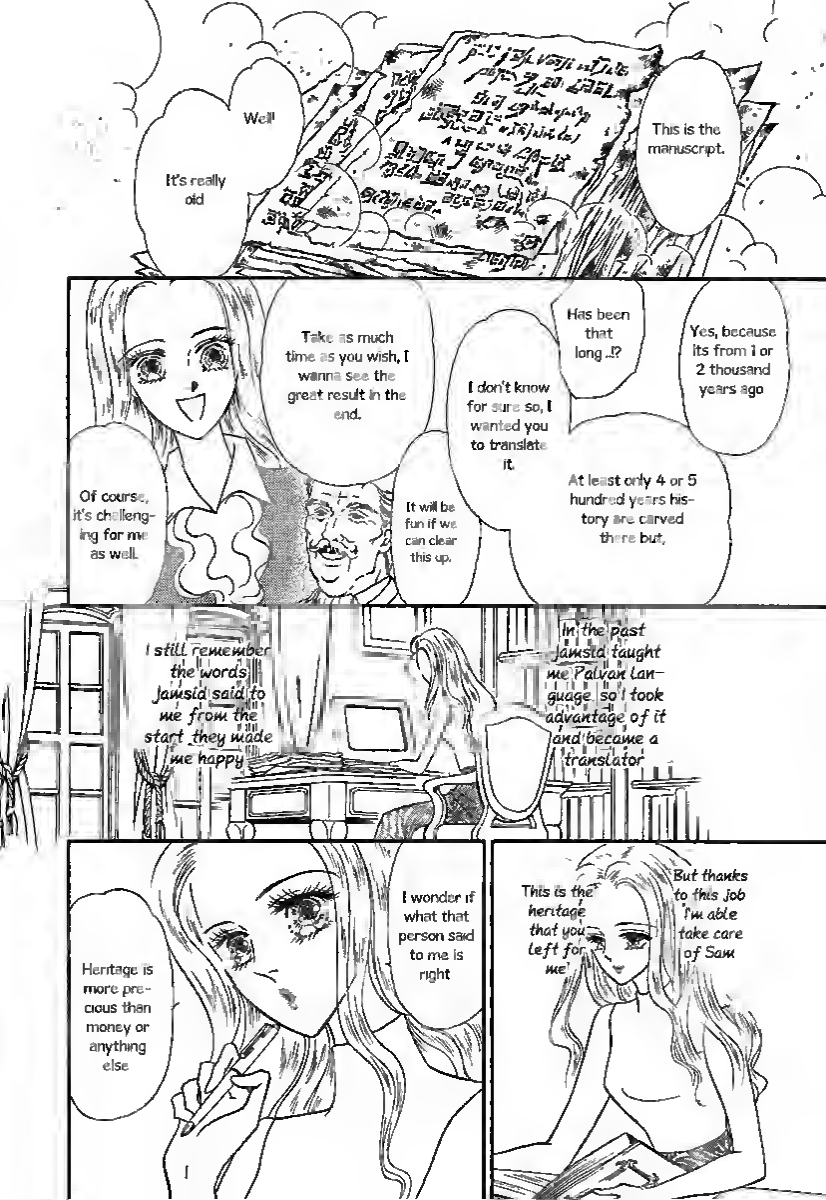
Oh its you Jemma I was going to call you at 3.
Manu-scripts?
YOU HAVE TO DECODE SOME MANU-SCRIPTS?
OK OK,
what kind of job is it?
IT'S REALLY GOOD !!
I BET YOU WILL BE VERY HAPPY

Before the war, he brought the translated manuscripts from Paiwan.
He an ex representative of Paiwan Ambassador's trusted person.
The client's name is Sir John, he lives in cornwall.
Isn't that great? while you're working, you can have a vacation in cornwall as well.
He said to stay at his place for the time being because the huge amount of the manuscript.
Hello, welcome
you must be excited young boy.
Feel free to play in garden.
Yes of course.
I heard from Ejunto that it's okay to bring my son with me.
Since there's a lot of nature surroundings here.
But, please tell the maid if you want to ride the boat in pond because its dangerous to you go by yourself.
Thank you so much
Thank you so much.
Sam, wheres your gratitude?



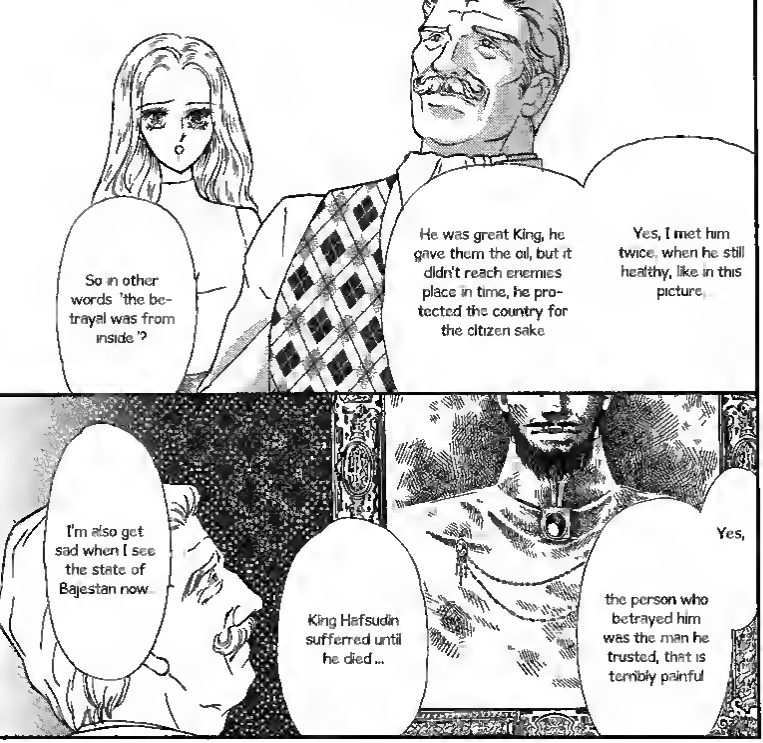
Well
It's really old
This is the manuscript.
Take as much time as you wish, I wanna see the great result in the end.
Has been that long..!?
Yes, because its from 1 or 2 thousand years ago
I don't know for sure so, I wanted you to translate it.
Of course, it's challenging for me as well.
It will be fun if we can clear this up.
At least only 4 or 5 hundred years history are carved there but,
I still remember the words Jamsid said to me from the start they made me happy
In the past Jamsid taught me Palvan language so I took advantage of it and became a translator
Heritage is more precious than money or anything else
I wonder if what that person said to me is right
This is the heritage that you left for me
But thanks to this job I'm able take care of Sam

Sir John said it was okay but if you don't listen to the notice....
Wait! Sam!
Mom, I'm gonna play in the garden!
Don't just enter another room freely without permission!!!
Sam! hey!! where are you going?
w o w
Scary people...??
They're not! they're a great people.
These are portrait some of Kings from Middle East countries.

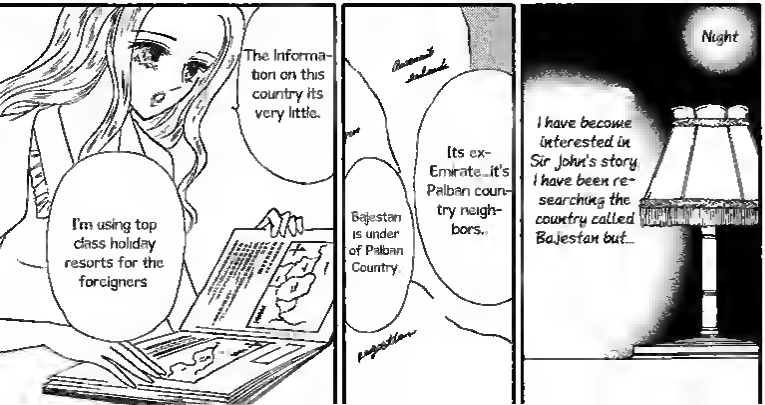
This is wonderful, Sir John really has huge Palvan goods.
This isn't... Palban, its ex-leaders from the neighboring countries
And this is must be the previous King.
he's the father of Prince Kabian's of Palvan Kingdom.
I've seen this person's photos before,
It's a portrait of Hafsudin, King of Bajestan.
Yes, he is the last King.
King of Bajestan? but i thought Bajestan wasn't a Kingdom.
This person...
Oh I see, the coup that happened, ended the monarchy 30 years ago didn't it?

Gashibu, who was the adopted child of Bajestan King, Hafsudin.
He defeated the soldiers and generals in 1 night.
wanted oil, so he teamed up with some foreigners, to plan a plot.
COUP!?
YOU'RE WRONG!! IT WAS A TERRIBLE BETRAYAL!
PRESIDENT? HE'S JUST A REBEL!
Gashibu,
that person who is now President ...!?
CAN YOU CALL THAT A COUP?!
GASHIBU MADE A BLOOD BATH OF BAJESTAN'S ROYAL FAMILY..
Gashibu is a hateful man.
Now Bajestan is being controlled only by Gashibu's men, citizens are suffering from hunger, poverty and terrorism over there.

No...
Go and play now, but don't go jumping on the street okay?
I'm being rude
Sorry for scaring you
I let my feelings get out of control
I'm very sorry
Sir John had a lot of respect for this King, didn't you?
Not at all ...

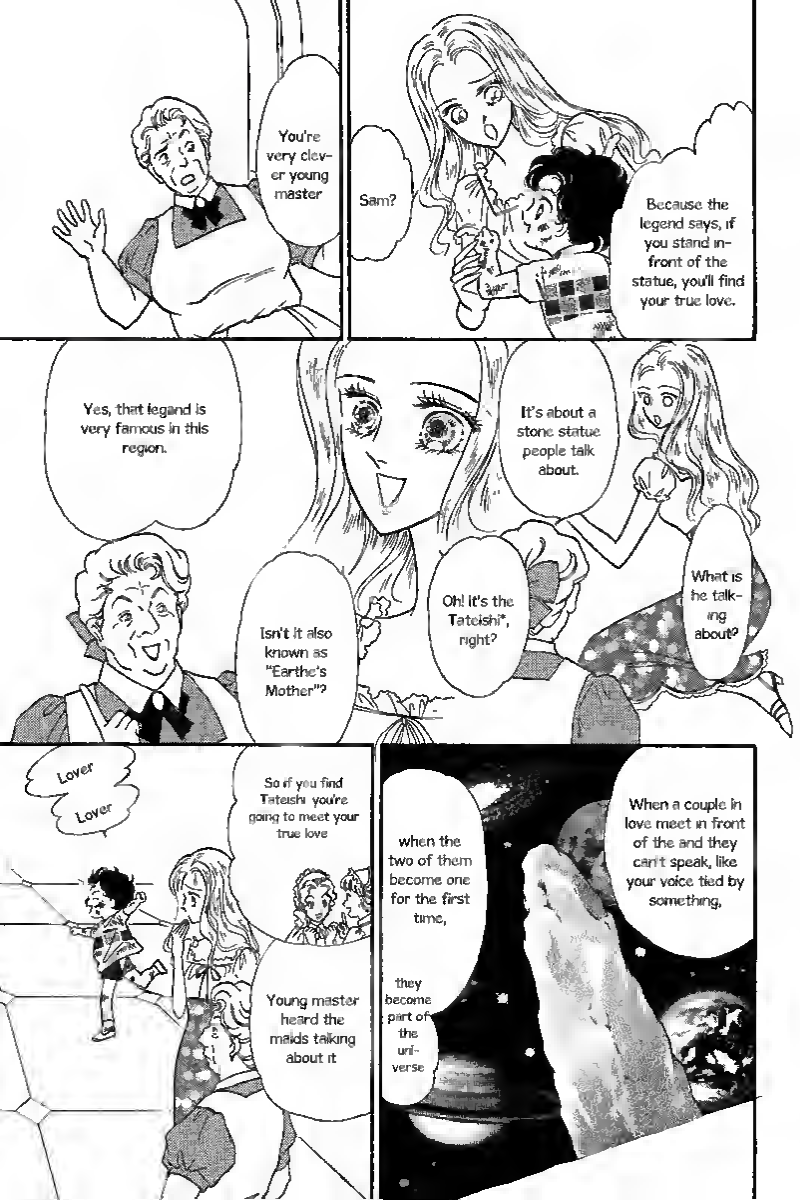


So in other words 'the betrayal was from inside'?
He was great King, he gave them the oil, but it didn't reach enemies place in time, he protected the country for the citizen sake
Yes, I met him twice, when he still healthy, like in this picture.
I'm also get sad when I see the state of Bajestan now..
King Hafsudin sufferred until he died...
Yes,
the person who betrayed him was the man he trusted, that is terribly painful

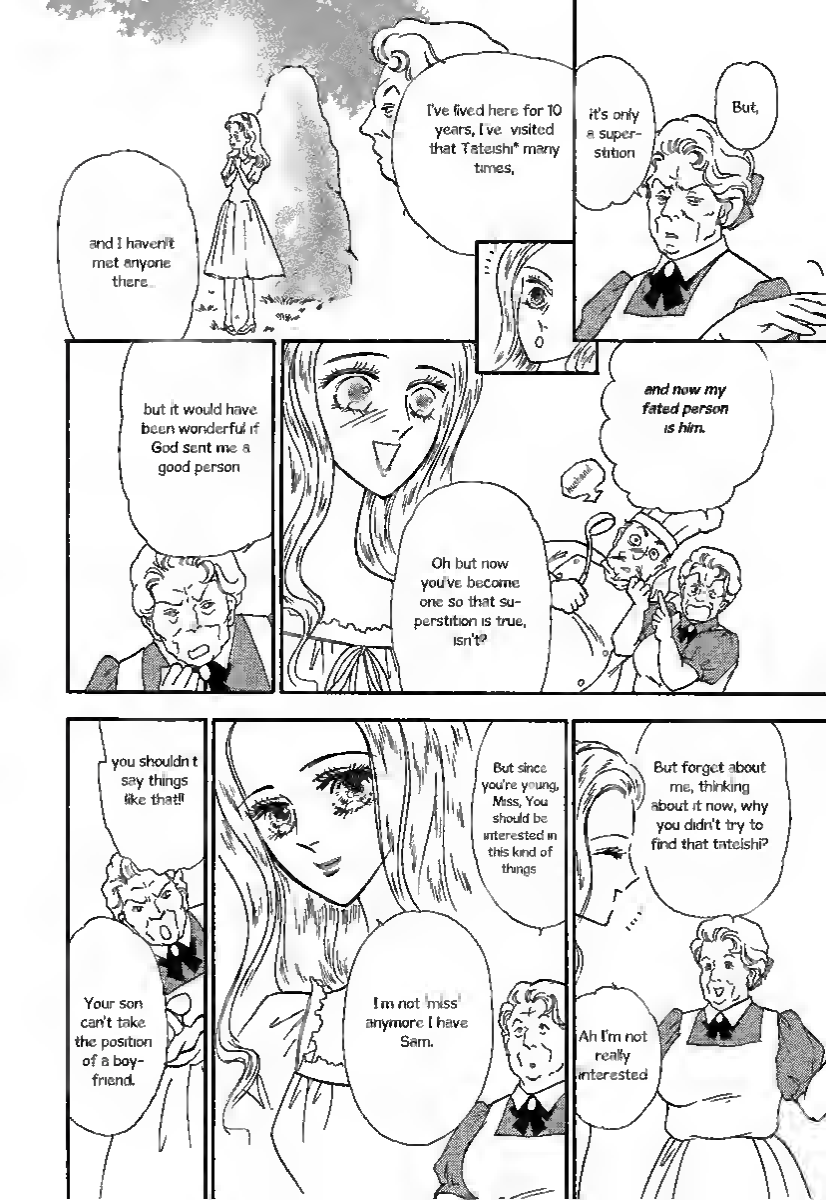


The Information on this country its very little.
I'm using top class holiday resorts for the foreigners
Its ex-Emirate...it's Paiban country neighbors..
Bajestan is under of Paiban Country
Night
I have become interested in Sir John's story I have been researching the country called Bajestan but...

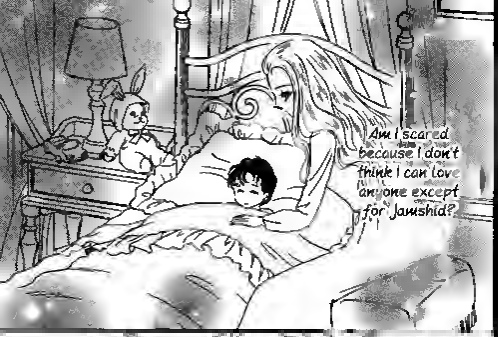
Al Jawadhi..
Who told me about that name?
Was it really that name..?
Al Jawadhi
I've heard that name somewhere before.....
In the chronogly of history of modern 1969 with the abdication of Hafsudin Al Jawadhi violence ended the monracy that lasted for several hundred years
My days in Sir John's house went by gently
Why are you covered in mud?!
SAM!
I was searching for Tachiishi!
Mom! Mom, listen!



You're very clever young master
Sam?
Because the legend says, if you stand in front of the statue, you'll find your true love.
Yes, that legend is very famous in this region.
It's about a stone statue people talk about.
Isn't it also known as "Earthe's Mother"?
Oh! It's the Tateishi*, right?
What is he talking about?
Lover
Lover
So if you find Tateishi you're going to meet your true love
Young master heard the maids talking about it
when the two of them become one for the first time,
they become part of the universe
When a couple in love meet in front of the and they can't speak, like your voice tied by something,



I've lived here for 10 years, I've visited that Tateishi* many times,
and I haven't met anyone there...
it's only a superstition
But,
but it would have been wonderful if God sent me a good person
Oh but now you've become one so that superstition is true, isn't?
and now my fated person is him.
you shouldn't say things like that!!
Your son can't take the position of a boyfriend.
But since you're young, Miss, You should be interested in this kind of things
I'm not 'miss' anymore I have Sam.
But forget about me, thinking about it now, why you didn't try to find that tateishi?
Ah I'm not really interested



I won't bother you about it anymore but you should try and find it.

I can't..

I'm scared...

Not I've already come to terms with his death

This past 5 years my heart feels like it's behind a wall of glass wrapped in a thin membrane So nothing can hurt me

It's possible for me to love another person someday

but that is "someday"...

I can't for now... My heart is still not at peace yet and I don't want anyone to disturb it

He didn't even come back to eat his favourite snack.
Did he go and look for Tateishi again?
Is it possible for him to go that far?
Where are you? It's snack time!
Sam!
Sam!
I told him to not leave Sir John's residence
Where are you?
Sam
Sam
Sam
Sam!
Answer if you can hear me!
Sam

Is that the Tateishi ?
No way
That's a girl's figure.
Seems like she can face anything
and accept everything...

Why is this guy here ?
Why
Mrs Bharami
WHY ARE YOU RUNNING AWAY FROM ME?
MRS BHARA-MI...
Stop!!
Why do you keep chasing me?!
